VAT-No. DE145972470

Twin-screw extruder for PVC

Battenfeld Bex 2-65-18V3

Year of construction 1995

TC 40 electronic control

barrel + screws 65 mm x 18 LD parallel are good enough for another 10.000 working-hours

screw-speed 3,7 – 37 upm

motor-power 30 kw

barrel vacuum-vented

screw-dosing

working-hours total = 63.458

output approx. 120 kg/h max., depending ...

Machinery in running condition

Price on request

Used machinery as is without warranty

Subject to prior sales
